

SUNDAY IN THE CHURCHES.

LARGE AND APPRECIATIVE CONGREGATIONS.

The Normalites Out In Full Force. Sunday in Farmville a Day Rich In Blessings.

Rev. W. E. Hill, the newly elected pastor of the Presbyterians, reached town on last Friday, and officiated morning and evening at the Sunday services. His first words were addressed to the Sunday school, a quiet practical, helpful talk on this important line of church work. For the morning sermon he had as subject that one word, "God" and dealt with the great theme in a manner strong, scholarly and spiritual. "God is God, is infinite, eternal, omnipotent, just, holy, and for the comfort of sinning humanity, "God is love."

At the evening hour of worship, the "omniscience of God" was his theme, and again the master mind and the heart of sympathy were seen and felt in its unfolding. "God sees, but not as man sees, and God will judge, but not as man judges." What a world of comfort in the thought.

Mr. Hill was welcomed by large, attentive and appreciative audiences, and must know that his work in Farmville opens under bright and inspiring auspices.

Dr. Hatcher was with his people morning and evening, and at each service the church was crowded to its full capacity, and the "people heard him gladly."

Mr. Fugate was also in his pulpit, and must have been gratified as he stood before a "sea of upturned faces."

Rev. Mr. Vest preached twice at the Episcopal church, and to the delight and spiritual uplift of those who were privileged to hear him.

The young ladies of the Normal added not only to the rolls of our Sunday Schools, but their presence gave new hope and cheer to the great and good work they are doing. Truly may it be said that Sunday was a benediction to all Farmville.

DOWNWARD COURSE

Fast Being Realized by Farmville People.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow; Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course. Follow the advice of a Farmville citizen. Mrs. T. G. Adams, Third street, Farmville, Va., says: "I have used Doan's Kidney Pills, and am well pleased with the results derived. When I began their use, I was suffering from weak kidneys and was greatly troubled by a dull ache across the small of my back. I often felt dull and languid, and had but little energy or ambition. There was so many unmistakable signs that my kidneys were disordered that I decided to try a reliable kidney remedy. I was so much impressed by what I heard about Doan's Kidney Pills that I procured a box at Frear's drug store. I had used them but a short time before I began to feel a great deal better. Doan's Kidney Pills relieved me of the pain in my back and improved my health to such a great extent that I take pleasure in recommending them to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Reasonable.

Lord Esher, who when president of the English court of appeal used to keep up a running fire of chaff on learned counsel, sometimes got a Roland for his Oliver, as when a young barrister in the course of argument stated that no reasonable person could doubt one particular proposition.

"But I doubt it very much," said the judge.

The youthful advocate, not one whit abashed, replied, "I said no reasonable person, my lord."

The master of the rolls could only gasp, "Proceed, sir, proceed."

Montenegro. On entering Montenegro the traveler goes back a couple of centuries. At the Montenegrin-Albanian border he finds himself in the fifteenth century and can watch, if he is lucky to come at the right time, border raiding and acts of vendetta such as he has read about in ancient history, when Englishman and Scot indulged in this pastime.—Wide World Magazine.
